Casement, awning, fixed windows

The REHAU Aspekt™, also known as system 1800, offers unsurpassed performance, ease of installation and total comfort that lasts. With outstanding structural, thermal and acoustical qualities, this casement window can be used in many commercial and residential building types for both new construction and remodeling projects. Choose from several different configurations and color options to make it your own.

- 1 Proprietary, highly engineered triple-seal technology**
Provides optimal compression to improve the system's insulating properties and to ensure long service life
- 2 3 1/4 in (83 mm), 3 3/8 in (86 mm), 3 1/2 in (89 mm) , frame depths with 1 in (25 mm) nailing fin set-back**
Allow for application in commercial as well as residential wall constructions
- 3 Up to 1 3/8 in (35 mm) glazing capability**
Accommodates triple glazing enhancing thermal and acoustical performance
- 4 Frame accessory grooves**
Accept a variety of accessories such as brickmolds, extension jambs and mulling components
- 5 Continuous frame design**
Allows for greater design flexibility and manufacturing efficiencies
- 6 Frame design**
Accepts a variety of screen styles including FlexScreen

Performance Summary

Structural: up to CW-PG70

Acoustical: up to STC 40; OITC 34

Thermal: down to 0.18*

* based on simulation
