

International Graduate Programme - Sales Graduate

Ross on Wye, Herefordshire with International Placements

REHAU is the premium worldwide brand for polymer-based innovations and systems in construction, automotive and industry. From furniture to windows to aircraft, you encounter our systems every day, without noticing them. While they may be invisible, their benefits are always around us. More than 20,000 employees at 170 locations worldwide apply their expertise and innovative capabilities to ensure the continuous growth of our independent privately-held company. REHAU is the place to build a career, so why not join our team and contact us today!

Your role:

The successful candidate will undertake the REHAU International Graduate Programme. Within the role, the successful candidate will provide business support to the UK Window Solutions division, including but not limited to; new product developments, existing customer business development, new customer acquisition, sales controlling topics and they will support the division with its digital growth strategy.

Alongside this, the successful candidate will have the opportunity to undertake a wide range of training courses and complete an international project, working with international colleagues and undertaking international placements at REHAU locations globally for 4-6 months, during the programme.

The role is based at our Ross on Wye Head Office, with travel to our European and International Offices for training and placements. The planned start date for this role is Tuesday 27th August 2024. Further information on the International Graduate Programme can be found at: <https://www.rehau.com/sites-de/international-graduate-program>

Your profile:

The ideal candidate will be a highly motivated, strong team player who acts with a customer first mentality. The position requires international travel and therefore openness to mobile working is essential.

Professional background:

- Graduated/graduating with a bachelors degree, with a 2:1 minimum, from a reputable business school during or after 2021 (essential);
- Possess 3 months' work experience, in direct employment or an internship, experience in a manufacturing environment is preferred;
- Possess experience of working internationally either through studying abroad or work experience (desired);
- Level B2/C1 standard in English (essential);
- Proficiency in a second language is preferred however, GCSE / A Level qualifications in another language will be considered.

Key Skills:

- IT literate in the following Microsoft Office applications (Excel, Word, Power-Point, Outlook);
- Experience with navigating BI warehouses and reporting;
- Experience with CRM systems is preferred however training will be provided;
- Project management skills, including the ability to work well in a multicultural team;
- Confident communicator who can articulate themselves well to a wide range of stakeholders;
- Prioritisation and organisation skills.
