RAUVISIO crystal Pure

The smart glass laminate

Elegance of simplicity: RAUVISIO crystal Pure

Pure like a grain of sand. The detail blends into the mass – calm and vision dominate the space. In RAUVISIO crystal Pure, minimalism meets durability. The material combination of the monochrome surfaces made of smart glass enables limitless possibilities for designing rooms. The pure harmony of the collection puts the focus on people and leaves space for what is important.

Sustainability guaranteed

Our RAUVISIO crystal Pure products fulfil PEFC criteria for a sustainable supply chain for forest products.

So easy to work with:

- Can be processed with woodworking tools
- 50 % lighter than real glass
- 10 x less brittle than real glass
- 20 % less waste compared to real glass

And great for your customers too:

- Highly scratch-resistant
- Soft touch, anti-fingerprint finish on matt surfaces
- Easy to clean
- Can be marked with whiteboard markers (high-gloss surfaces) or chalk (matt surfaces)

REHAU has developed the matching RAUVOLET crystal-line tambour door, featuring the same surface material, for perfectly integrated design.
