

Market Support Analyst - Window Solutions

Ross on Wye, Herefordshire

The REHAU Group is a unique and diverse family of eight strong Subgroups consisting of REHAU Interior Solutions, REHAU Building Solutions, REHAU Window Solutions, REHAU Automotive, REHAU Industrial Solutions, REHAU New Ventures, the Meraxis Group, RAUMEDIC and the services division REHAU Global Business Services. Each focuses on the specific needs of their target groups with their individual competencies. This industry- and trade-specific focus enables each of the companies to lead in their respective markets and, at the same time, to complement each other within the REHAU Group to successfully engineer progress and enhance lives together. More than 20,000 employees at 190 locations worldwide apply their expertise and innovative capabilities to ensure the continuous growth of our independent privately-held company. REHAU is the place to build a career, so why not join our team and contact us today!

Your role:

In the role, the successful candidate will provide market analysis support to REHAU's Window Solutions subgroup providing data, trends and insights to support successful, timely decisions and actions.

This support will include reporting on KPI's, creation and maintenance of sales controlling dashboards, developing and providing customer specific overviews and market insights.

In addition, you will work closely with other departments both in the UK and overseas including Sales, Marketing and in particular Product Management, where master data maintenance and analysis of market trends will be critical to the success of new product launches and ongoing business in the UK Fenestration sectors.

Your profile:

The ideal candidate will be a highly motivated, strong team player who acts with a customer first mentality.

Professional background

- Undergraduate level qualification in a business related discipline (2:1 preferred);
- A year in industry or, relevant market analysis experience gained through internships is a plus;
- Level B2/C1 standard in English is essential;
- Proficiency in a second language (German desired) is preferred but not essential.

Skills

- IT literate in the following Microsoft Office applications (Excel, Word, PowerPoint, Outlook);
- Experience with CRM systems is preferred however, training will be provided;
- Project management skills, including the ability to work well in a team setting;
- Confident communicator who can articulate themselves well to a wide range of stakeholders;
- Prioritisation and organisation skills and the ability to work to deadlines is essential.
